

BELLS UNIVERSITY OF TECHNOLOGY, OTA

Km 8, Idiroko Road, P.M.B. 1015, Ogun State

ADMISSIONS INTO 2016/2017 TOP-UP DEGREE AND HND CONVERSION PROGRAMMES

Established in 2005 as the First Private University of Technology in Nigeria, this great University, on a fast lane to becoming a world-renowned university that is committed to the development and transformation of society through cutting edge technology and other innovations, now runs To-Up Degree and HND Conversion Programmes.

The Programmes, which are now being massively and competitively accessed by scholars within and outside Nigeria, are aimed at bridging the gap between HND and B.Sc. Degree, as well as provide a platform for candidates to improve upon their class of degrees or move to other related disciplines.
